LAST WEEK

Tim Cantele told us about Jean Davidson of the Harley Davidson family.

After several tragedies in her family she now travels around the country speaking at schools.

Young children often are either scared or do not know what to do in a dangerous situation. Her program instructs them in the importance of "yell and tell"- getting the attention of and help from adults.

Jean will be in our area at the end of the month. Tim wishes to arrange for her to speak at Taconic Hills and is asking us to help sponsor her appearance; which we assured him we will be happy to do.

Tim reminisced of attending Rotary meetings when he was younger with his father, long time Rotarian Benny Cantele. He will speak to the school and be here tonight to follow up.

BLOOD DRIVE

This Friday we are sponsoring a Red Cross Blood Drive at the Legion Hall from 1 to 6. Gary is scheduling workers.

BACK TO SCHOOL

Thank you to all who contributed money and donations to help our family. Nice Job!

FINES AND HAPPY DOLLARS

Did you know that the money the sergeant raises each week along with the proceeds of the 50/50 is the money the club uses for administrative expenses?

Rotary requires all monies raised from the golf tournament and other fund raisers must be dedicated to service projects.

So while our administrative expenses are manageable, as tough as it is to part with some of those dubious fines and we may not have anything happy or sad to acknowledge, know the funds are important to the running of our club.

DG VISIT

DG Jeffery is scheduled to make his official visit on 9/24. Rotary protocol states that each member should make every effort to be in attendance. We also appreciate guests joining us. We hope on the 17th to get an idea of those attending so we can give Marci a number for dinner the following week.
